

The museum is free to visit.  
It's open on weekends and  
late on Thursday nights.  
Have you ever been to an  
art museum? What was your  
favorite work of art that you  
saw there?

---

A man named Alfred Heber  
Holbrook started the Georgia  
Museum of Art. He donated 100  
paintings to start our collection.  
Now we have about 18,000  
objects, including paintings,  
drawings, sculptures and even  
furniture. What do you collect?

---

Holbrook believed in the idea  
of "art for everyone." He used  
to put paintings in the trunk  
of his car. Then he would drive  
all over the state to share  
them with anyone who crossed  
his path. How do you share  
your art with your school and  
community?
